

# Corny Corn Muffins

- 2 bags Martha White sweet corn muffin mix\*
- 1 can creamed corn (1 ½ cups)
- 2 eggs
- 1 Tbsp brown sugar

Combine ingredients.

Spoon into 12 paper lined muffin cups\*\*.

Bake at 400 ° for 11-13 minutes, until golden.

\*I'm sure you can use other brands but this really turned out well!

\*\*I use the parchment baking cups for these muffins. Prevents muffins from sticking to the paper too! They are found in the baking area with other cupcake liners and they are the best!
