Book Title: Daughter of the Queen of Sheba

Book Synopsis: tree sprayed gold with lace under-

life) struggled with her mother's manic-
depressive moods as a child.

Many couldn't decide if they were glad
they'd read it. Not a "page turner" for
any!

Highlights of Discussion: Book followed manic pattern
that some lived. Not easy reading!
Very mixed reviews by members.

her mom (Karen), Ann Hill, Nancy Dausman,
Nancy McQuate. (Sally has a concussion!)
