Your donation is being put to good use! Thanks to your help, Family Promise of Grand Rapids is providing resources and services to children and their families who have fallen into homelessness, allowing them to get back on their feet and regain independence.

***The GREAT NEWS is that 90% of our families are still housed one year later!*** As you can see, this is life changing work. Thank you for bringing hope and new life to our families!

As you go through your day today, please know you are giving families a place to turn for help ... and reason to hope. Thank you for caring for our kids and ending homelessness...one family at a time!

Warm Regards,

*Karen*
