Texas brisket, Ginny brought Fresh Fruit, Mary  
made cheesy potatoes and corn bread

**Book Synopsis:**  
This was a psychological thriller, full of unexpected  
twists and turns set at a mental hospital on an island

**Review:**

**Highlights of Discussion:**

**Attendance:**

**Suggestions/Business** We had tried to do a weekend  
get away to celebrate and mourn Sally's retirement  
and move to Florida. She was returning to  
Michigan to visit. However we were unable to  
work out weekend plans and ended up  
with dinner at Anne Hill's house
